Institute of the International Association for Research and Testing in the Field of Textile Ecology

The company

IMP Comfort Sp. z o. o.

Inzynierska 15-17

58-100 Swidnica, POLAND

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 11.0.98741**

Tested for harmful substances

according to Oeko-Tex® Standard 100

10.HOT.83580

Hohenstein

for the following articles:

Thermal bonded nonwoven made of polyester and polyester-bico fibres (art. Ovata bikomponentowa), white; produced by using materials certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 30.11.2012

Boennigheim, 24.11.2011
